The Blooming Bulletin is brought to you by the Blooming Beta Chapter of Delta Phi Lambda Sorority, Inc. at the University of Cincinnati.

# ALUMNAE BRUNCH

We had an opportunity to grab brunch and connect with our alumnae. We wouldn't be where we are without these DFL's. Thank you for continuing to build & support our Everlasting Sisterhood®.

# FUNDRAISER

We offered different survival kits to help students finish the last few weeks of school strong. Thank you to everyone who purchased these kits and supported us!

# QUAD-COUNCIL INSTALLATION

These DFL's were able to attend the Quad-Council Installation, where Sisters ERISED and Kalon were celebrated for their hard work as part of MGC Exec this past semester. Sisters NOVAYLA, Isledenâ, and Bumi were installed as part of the incoming MGC Exec.

Our Chapter also won the Outstanding Philanthropy Award for our Stroll For The Kids event!

Congratulations to all of the Executive Board members and Greek organizations on an excellent year! We can't wait to see what the future holds for you!

# SECRET SANTA

Before we all left for winter break, sisters got together for one last sisterhood event of the semester. We held a Secret Santa gift exchange, learned more about each other through a Sisterhood Kahoot, and shared laughters over the "Excuse Me Ma'am, I'm John Quiñones" TikTok memes.

Love

# SISTERHOOD WEEKEND

To celebrate a successful semester, we spent our Sisterhood Weekend in Columbus exploring different eateries and local attractions, bonding with sisters through sisterhood activities and horror movies, and strengthening our Everlasting Sisterhood®.

Please join us in congratulating our Alpha Epsilon neos on receiving their well-earned line jackets!

Wise Reflection & Advice from Sister ERISED: "I've learned to never be frustrated or upset when things don't go as exactly as you plan. A lot of what we do in college is to plan for our future--we set goals and create a game plan. However, sometimes, life will come around and surprise us. Plans change, and things don't always go as you expected. Take these moments of unexpected change, and do not become upset with them. Rather, look at them as learning curves. Everything/every opportunity in this world that is meant for you will fall into place. Life isn't meant to be lived in a straight line but more of an up and down zig-zag. Trust in yourself and believe that whatever comes on your path, expected or not, can still be amazing for your future. Reaching the finish line is beautiful, and you will feel so accomplished regardless of how you got there.

We admire and applaud your leadership, and we will miss you lots. Remember that you will always have a home in DPhiL! We will continue to support you as you pursue your future endeavors. Bloom on!

# SISTER SPOTLIGHTS

Meet Sister Phoebe "Isledenâ" Goodale! She is a third-year student in the College of Nursing with a minor in Health Education. She exemplifies what it means to be a leader through her involvement as Darwin T. Turner Scholar, Mentor, and Director of Service; College of Nursing Ambassador; DFL MGC Delegate Alternate; and incoming MGC Director of Programming. To her, DFL is a place where she can be herself, express her thoughts, and have genuine, kind, and powerful sisters who support her. She's sweet like honey and hard-working like bees. She's our queen bee.

*We admire a visionary and enthusiastic queen!*

Meet Sister Sruthi "Natsuki" Pillai! She is an old lady in spirit who loves crocheting and her succulents. She enjoys listening to podcasts, watching anime, and winding down every weekend with candles and tea. She recently started becoming vegetarian and realized it's not hard as long as she's patient with herself. She is the founder of United Asian Advocates, a peer leader of UC's Racial Awareness Program, and one of the papa's of Alpha Epsilon. She's our chapter's social justice warrior!

*We adore a strong and collaborative queen!*

# SISTER SPOTLIGHTS

Meet Sister Gabrielle "aristëlle" Bui! She's a second-year majoring in Applied Graphic Communications and aspires to become a graphic designer. In fact, she loves designing paddles. She has 2 birds-- paeco, and jin (RIP CELLO & BO), and she wants to have parakeets, cockatiels, parrotlets, and sun conures one day. She loves traveling, exploring national parks, and collecting pins. While she likes to watch scary videos on YouTube, she does not enjoy scary movies. We love Gabbie more than she loves her adorable birds.

*We treasure a creative and kind queen!*

Meet Sister Stephanie "Eroico" Tam! She's a Computer Science major. She is involved in the Vietnamese Student Association and is a Turner Scholar. She enjoys making graphics, mourning the end of vine, and watching avatar. She is also a TikTok queen! She is a Human Shazaam and loves naked cats. A fun fact about Sister Eroico is that she calls one of her little Baby Yoda! She was one of Alpha Epsilon's papas. We love Stephanie's personality!

*We applaud a funny and determined queen!*

# SISTER SPOTLIGHTS

Meet Sister Heather "Kalon" Cheng! She is a second year Architectural Engineering major. She shows her passion for Greek Life by serving as the past Director of Programming for MGC. She is passionate about defying stereotypes through embracing her unique identity as a gay Asian female in a construction STEM field. You go Sister Kalon! In her free time, she likes to draw, paint, cook, and work out. She is talented or something! We love Sister Kalon for her hardworking nature!

*We support a driven and impactful queen!*

Meet Sister Rachel "Jielysián" Hiller! She is a third year student majoring in Interdisciplinary Studies with a History minor, and a Creative Writing certificate. She loves being involved in UC. Along with Delta Phi Lambda, she is on the exec. board of TEDx UCincinnati, a member of the Video Production Club, and a member of Eta Sigma Gama. She also volunteers at one of the coolest place in Clifton, The 86 Coffee Bar! She likes reading, writing, and watching movies and tv shows. We love Rachel for her puns and love for DFL!

*We stan a kind and hardworking queen!*

# THANK YOU

A woman with long dark hair, wearing a light blue shirt, is shown in profile, blowing bubbles. She is holding a small red and blue bubble wand in her right hand. Several bubbles are floating in the air around her. The background is a blurred outdoor setting with vertical elements like a fence or railing.
